13th Strategic Project Development PA Culture Workshop

“Perspectives on Funding for Culture in the BSR”

DATE: 8 and 9 June 2021, lunch to lunch
VENUE: Nordkolleg Rendsburg
Am Gerhardshain 44, 24768 Rendsburg (Germany)
+ online presence possibility (ZOOM Platform)

New funding periods for existing funding programs for culture have already been published or will be published in the next few months. Applicants often find it difficult to understand the programs in all their complexity. For this reason, we have invited experts who will present the relevant funding tools for cultural projects within the Baltic Sea Region during the first workshop day.

The experts will share their knowledge in order to bring more clarity on the upcoming funding programmes. The consulting session afterwards will provide room for questions and discussion.

The co-creative Networking and Matchmaking part during the second workshop day will give participants the opportunity to network and connect with possible new partners as well as to find new opportunities for their projects (ideas).
